An informational meeting will be held at 5:30 p.m. on December 1, 2016, at the Panora City Hall located at 115 W. Main Street in Panora, Iowa. The meeting should last approximately an hour. The final route within the identified corridor will be determined when easement negotiations with landowners are complete. Under Iowa law, ITC Midwest is not allowed to negotiate easements before the meeting on December 1, 2016. Please join us at the meeting for additional discussion regarding the purpose, timing and routing of the proposed line.

We would also appreciate a call or e-mail from you prior to October 28, 2016, giving us the names and addresses of any persons residing on the potentially affected property that may not own an interest in the property, such as a tenant farmer. The Company is required to notify persons residing on the property and must do so no later than 30 days prior to the informational meeting. The notification must be through certified mail with return receipt requested. Please call Jackie Swartz at (515) 282-5300 ext. 466, with the tenant information, or e-mail her at [jswartz@itctransco.com](mailto:jswartz@itctransco.com).
